

ALL THAT JAZZ FEST™

All That Jazz Fest has finally arrived to the Memphis music market!!!! Local and non local artists will grace the stage singing, blues, country jazz, gospel jazz, neo-soul, spoken word, and more! World Renowned, Gospel Jazz Artist, Cameron Ross has traveled the world for more than 15 years rendering musical tones and touching lives everywhere. Now it's time to bring that full circle to Memphis. With crowds of over 2000, enjoying the indoor/outdoor concert, car show, step show and vendors galore. Welcome to "The Experience."

Memphis has such rich roots, historical value when it comes to music. Moreover, Jazz has been overlooked here. Our goal is to build, engage, showcase, encourage aspiring artists to share their gift of music with others. A portion of the proceeds, will be donated to Ambassadors of Memphis, which provides annual support for Operation Safe Streets!
